**Brazilian Academy of Acupuncture** was officially registered with Brazilian ministry of finance in June 2006. It currently has 63 active students, trained and active acupuncturist 14, 3 acupuncturists who have PHD, and student from other courses as auriculotherapy and massage 30. Our sub-parties include **ABA- BRAZILIAN ACADEMY OF ACUPUNCTURE**, LOGOS INSTITUTE, and CESAR GABRIEL LOPES DIAS.

The current president is **GABRIEL CÉSAR DIAS LOPES**.

Our School began its educational work in the city of Juiz de Fora, in Minas Gerais state. In a short time expanded its work creating and riding classes in several other cities in Brazil. In some educational centers where we conducted the trainings of short, medium and maximum duration in various cities such as **Belo Horizonte, Teresopolis, Manhumirim, Manhuaçu, Fortaleza and Rio de Janeiro**.

In our list of courses taught: Massage, Acupuncture, Herbal Medicine, Anatomy and Physiology, Auriculotherapy, Craneoacupuntura (scalp acupuncture), Homeopathy, Psychoanalysis, bach flower remedies and Acupuncture cosmetology.

We always seek to flush our educational work with international requirements, to formalize this partnership with the European Foundation of Traditional Chinese Medicine, and sent our students and graduates to European Association of Chinese medicine to practice.

Our academy strives for qualifying education by providing students and practitioners of acupuncture with structure with large classrooms and offices, and set up dispensaries for people in poor area.

We have agreement with respected institutions such as American University - AU, European Foundation of Traditional Chinese Medicine, University Emily Brunner, Eric From University, Brazilian Council for Psychoanalysis and others.
