RE: 2019 Annual Registration with Louisiana Board of Regents

Dear Dr. Harrison:

Louisiana R.S. 17:1808 requires all academic degree-granting institutions operating in the State of Louisiana to register with the Board of Regents (BoR) and be licensed unless otherwise exempt. Exemption from licensure is restricted to institutions named in law and religious institutions that grant religious degrees exclusively. The degrees must be religious in nature by title and content.

This letter is to notify you that our office has determined that Logos University International – UniLogos, Louisiana is exempt from licensure for 2019 because it is an institution offering only religious degrees in the state of Louisiana. This exemption only applies to postsecondary education.

Please note that this exemption from licensure is effective for 2019. The institution is required to register annually with the Board of Regents. You are also required to inform the Board of Regents of any changes that may occur in the religious status of your organization that could affect your institution's exemption status.

Should you have any questions, please contact our office.

Sincerely,
